MEMORANDUM FOR: Director, Federal Bureau of Investigation

25X1A

25X1X

SUBJECT: [REDACTED]

yours by  
w/ file

1. Reference is made to your letter of 18 July 1951, concerning the case of [REDACTED]

25X1X

2. In regard to subject's registration under Section 20 of the Internal Security Act of 1950, this Agency has not made a written determination that such registration would not be in the interests of national security and does not intend to do so. If subject comes within the provisions of the statute, we would have no objection to registration.

3. With respect to the request in the last paragraph of your letter for authority to disseminate the information in our memorandum of 19 June 1950 to the Criminal Division of the Department of Justice and to the Immigration and Naturalization Service, we appreciate your recognition that the source requires protection. We have prepared a summary of factual information pertaining to subject without reference to his association with intelligence activities. We believe this factual information is all that is pertinent to the interests of the Criminal Division, Department of Justice, and the Immigration and Naturalization Service, and you are authorized to disseminate the attached memorandum to them, without revealing the source, to be used in developing leads to further information
